

April Newsletter

STEM (Science Technology Engineering and Math)

Activities in Conjunction with
Parent Teacher Interviews and
Report Card Pick up on

STEM Science, Technology,
Engineering, Mathematics

Thursday, April 19th
Student Dismissal at 2:00pm

Parent Teacher Interviews 2:00pm to 5:00pm

- Complete a student led STEM activity and pick up your child's report card and receive a voucher for a **free KFC meal** for parent and student at the school cafeteria. **IPhone DRAW!!**

If you are unable make it to parent teacher interviews please phone the school and make an appointment with your child's teacher. Communicating your child's strengths and areas needing development is an important part of the education process.

KFC Dinner for community members who don't have kids attending Sunchild School \$4.00

Grandparent and Elder Afternoon!
Friday April 28th
2:00 to 3:25

Elders and Grandparents are welcome to have tea and cookies at the school cafeteria from 2:00 pm to 3:25 pm on Friday April 20th.

Participate with your grandchild in crafts, STEM activities and literacy fun. We hope to see as many Grandparents as possible on Friday!

-Don't have transportation? Please contact the school and we can arrange transportation for you.

Last month **TRICKSTER THEATER** was in our school for an Artist in Residency program. The week concluded with an original 90-minute theatre performance that included all of our students as actors and actresses. Thank you to all the parents and community who were able to support our student in being an audience for this great production.

The Seven Teachings and Students

The seven teachings have been taught to students from K5 to Grade 5 on a weekly basis from September and will continue into June. These teachings are cultural teachings that includes the following: (also known as the 7 Grandfathers)

- The Bear -Courage
- The Wolf—Humility
- The Bison—Respect
- The Sabe—Honesty
- The Turtle—Truth
- The Eagle—Love
- The Beaver—Wisdom

The children have learned about each of the teachings and reflect on how they use them every day. The students have had fun sharing with others about themselves and what they have learned about the seven teachings. The program includes colouring, cutting pictures, brainstorming ideas in
