Community Rink

The Sunchild Community Rink has been flooded and cleared of snow. Please remember that this facility is unsupervised and used at your own risk. We ask that all users be considerate of each other and that hockey players please ensure that they are sharing the ice surface with recreational skaters.

When students are using the rink during school time it is required that they wear a helmet. It is strongly recommended that all rink users also wear a helmet when skating.

Student Attendance

School staff have noticed that there are far too many students who are showing up late to school. **School starts at 8:50 a.m.** Students are missing valuable instructional time when they show up late. It is also very disruptive to the class when students are showing up late to class. Parents who drive their children to school need to ensure that they are at school on time so that they have the greatest potential to be successful in school.

What is The Leader In Me?

The Leader in Me is an approach to developing a culture of leadership in our school and is based on The 7 Habits of Highly Effective People® by Stephen Covey. Founded on internationally recognized, universal principles, The Leader in Me model emphasizes skills that parents, teachers and business leaders want and that students need to be successful in an ever changing society:

- Leadership
- Accountability
- Adaptability
- Initiative and Self-direction
- Cross-cultural Skills
- Responsibility
- Problem Solving
- Communication
- Creativity
- Teamwork

Developing a culture of leadership in our schools is about helping children be leaders of their own lives, it helps them identify their own unique talents and abilities and encourages them to make a positive difference in the world.

You will be hearing lots about The Leader in Me during the rest of the school year. During the month of January students and staff will be focusing on the first two habits: Being Proactive (you are in charge) and Begin with the End in Mind (have a plan).

Habit 1 — Be Proactive You're in Charge

I am a responsible person. I take initiative. I choose my actions, attitudes, and moods. I do not blame others for my wrong actions. I do the right thing without being asked, even when no one is looking

Habit 2 — Begin with the End in Mind Have a Plan

I plan ahead and set goals. I do things that have meaning and make a difference. I am an important part of my classroom and contribute to my school's mission and vision. I look for ways to be a good citizen.

Any Community Members interested in signing out the school gym need to contact the school before 3:00 and sign the gym usage form.
