When students are using the rink during school time it is required that they wear a helmet. It is strongly recommended that all rink users also wear a helmet when skating.

## Student Attendance

School staff have noticed that there are far too many students who are showing up late to school.

**School starts at 8:50 a.m.** Students are missing valuable instructional time when they show up late. It is also very disruptive to the class when students are showing up late to class. Parents who drive their children to school need to ensure that they are at school on time so that they have the greatest potential to be successful in school.
