Do your child's Inside Shoes Still fit?

Kids are always growing and we have noticed that many students no longer are wearing their inside shoes due to the fact that they have out grown them. We would like to remind parents that students need to have inside shoes. Inside shoes protect students feet, keep our school clean and in the event of the need to evacuate the school due to a fire students have inside shoes to wear outside. Students need to remember to put on their inside shoes whenever they enter the building.

Student Attendance Issues!

In the month of February the average attendance rate from Kindergarten to Grade 6 was only 76%. This means that on average students missed 5 out of a total of 19 instructional days in February. We all want students to have the greatest success in their schooling which means they need to attend school regularly. With your help we hope to see an improvement in our attendance rate for the rest of the school year.

Girls Basketball Wrap-up

The girls' basketball season has come to a close. The Bantam 6/7 team gained a great deal of experience over the course of their eight-game season, and will look to continue the development of their skills to prepare for next year! After a strong season, the Junior 7/8 team finished off with a win at their year-end tournament on March 2nd, securing a 3rd place finish. Congratulations too all of the girls who consistently gave their time and effort toward making this a great season!

For the Safety of your child. Please take the time to review the School Bus rules with your child.

Alien Inline Skating

Alien Inline Skating were in last month teaching student how to inline skate. All the students in the school had the opportunity to participate in this activity a couple times during the week. Students learned about the safety equipment necessary to inline skate as well as develop inline skating skill.

Cheerleading Season Final

The grade 1-3 cheerleading team finished off an exciting year by placing 1st at the Red Deer Cheer and dance competition. This year Sunchild had two teams, a grade 1-3 team and a grade 4 team. Both teams showed great improvement and mastery of skills, increasing their scores at each competition. Congratulations to all our athletes. Your coaches are very proud of you.
