## Student Attendance Issues!

In the month of February has been a challenge for student attendance due to the cold weather conditions. Our attendance rates have been lower than we would like them to be for the last couple of months. We all want students to have the greatest success in their schooling which means they need to attend school regularly. With your help we hope to see an improvement in our attendance rate for the rest of the school year.

## School Lost and Found

Our Elementary Lost and Found is already full! We have had it laid out for students to pick up missing articles with little success. Parents if your child seems to be missing articles of clothing drop by our elementary pit and look through our lost and found.

## Do your child's Inside Shoes Still fit?

Kids are always growing and we have noticed that many students no longer are wearing their inside shoes due to the fact that they have out grown them. We would like to remind parents that students need to have inside shoes. Inside shoes protect students feet, keep our school clean and in the event of the need to evacuate the school due to a fire students have inside shoes to wear outside. Students need to remember to put on their inside shoes whenever they enter the building.

## Great Attendance = Academic Success

## Alien Inline Skating

Alien Inline Skating is in our school this week teaching students how to inline skate. All the students in the school will have the opportunity to participate in this activity a couple times this week.
