

The NED show will be coming to Sunchild School on **Tuesday March 13th** at 2:00. The NED Show is a character education program that centres around three important messages that have life long relevance: **Never give up / Encourage others / Do your best NED**. During the assembly, students will learn about NED's three messages while also enjoying storytelling, magic, humor and yo-top tricks. Each student will receive a NED messaged yo-top and a yo-top trick sheet. These fun, old fashioned no-batteries-needed products are tangible ways for kids to keep NED's message in motion long after the assembly.

Trickster Theatre

Trickster theater is in our school March 19 to 23rd doing a Artist in Residency program with our students. This week will conclude with an original 90-minute theatre performance on Friday March 23rd that will include all of our students as actors and actresses. This production could not have been possible with out a generous grant from the Alberta Foundation for the Arts. We thank them greatly for supporting student engagement through the pre-forming arts.

Student Attendance Issues!

In the month of February the average attendance rate from Kindergarten to Grade 6 was only **78%**. This means that on average students missed 4.5 out of a total of 20 instructional days in February. We all want students to have the greatest success in their schooling which means they need to attend school regularly. With your help we hope to see an improvement in our attendance rate for the rest of the school year.

School Lost and Found

Our Elementary Lost and Found is already full! We have had it laid out for students to pick up missing articles with little success. Parents if your child seems to be missing articles of clothing drop by our elementary pit and look through our lost and found.

Do your child's Inside Shoes Still fit?

Kids are always growing and we have noticed that many students no longer are wearing their inside shoes due to the fact that they have out grown them. We would like to remind parents that students need to have inside shoes. Inside shoes protect students feet, keep our school clean and in the event of the need to evacuate the school due to a fire students have inside shoes to wear outside. Students need to remember to put on their inside shoes whenever they enter the building.

Great Attendance = Academic Success

Alien Inline Skating

Alien Inline Skating is in our school this week teaching students how to inline skate. All the students in the school will have the opportunity to participate in this activity a couple times this week.
