Picking Students Up from School?

All visitors to the school need to report to the front office. If you are picking up a student the office will phone the classroom teacher and have the student sent down to the office. All students are required to be signed out of the building through the front office.

Walking Home

Students are required to take the bus home unless a note has been written to say otherwise. Parent's wishing for their children to walk home need to provide a note which will be put on file.

If It Has Wheels!

If it has wheels and you bring it to school you also need to have a helmet on your head. This includes the following: Skate Boards, Scooters, Bikes, and Roller Blades.

HUMILITY

This Month our schools Sacred Teaching is **HUMILITY**. The expression of humility is manifested through the consideration of others before ourselves. In this way, the Wolf became the teacher of this lesson. He bows his head in the presence of others out of deference, and once hunted, will not take the food until it can be shared with the pack. His lack of arrogance and respect for his community is a hard lesson, but integral in the Aboriginal way.
