Sunchild School Bike Program

Sunchild School is looking for **unwanted, damaged or discarded bikes** for our winter bike rebuilding program. The school hopes to be able to rebuild bikes over the winter months and donate them back to families in the late spring. We are in need of as many bikes as we can possibly get as it may take several damaged bikes to make a usable bike. Please drop off your bikes at the school or phone the school and we will pick these bikes up. We hope to get all unwanted bikes out of peoples yards before the snow hits the ground.

WE NEED BIKES, BIKES and more BIKES!

Students Skipping Class Will Result in a 1 Day out of School Suspension

Recently the school has experienced a large number of student who have been skipping classes. These students are hiding in the school or are leaving school property without being signed out by a parent or guardian. Due to this high rate of skipping by students the school is having to implement more serious consequences for this behaviour. Any student who is caught skipping will be given a one day out of school suspension. In the event of a fire or other emergency we need to know where all students are. Any parent or guardian coming to pick up a student is required to sign students out through the front office.
